Implementation of the Medi-Cal managed care sales tax program has been delayed pending necessary federal approval. The implementation date has not yet been determined. Once necessary approvals for this program are obtained, we will notify you. You will not be required to pay the taxes until you receive the capitation payments from the Department of Health Care Services (DHCS). The tax will be retroactive to the effective date of July 1, 2013. If you have already registered as a retailer with us under this program, you will not be required to register again.

The Board of Equalization (BOE) offers our apology for any inconvenience created by the previous special notice sent regarding the new sales tax on Medi-Cal managed care plans.
